FINNISH
ORGANIC- AND NATURAL SOAP

Organic Soap and Natural Soap are not the same things! We do both!

If your (grand)parents used soap like this and were satisfied, why not you? Cleans your whole body. You can use Sola Soap for shaving and washing hair. No sodium lauryl sulphate, no preservatives, or additives (BHT, EDTA, EHDL, jne.); no dyes; no surfactants; no fragrance oils or other synthetics or added glycerine or petroleum products. Mild with lots of foam. Made pure and simple. That is traditional Soap Making.

BP = bee products; NO = nut oils; EO = essential oils

ORGANIC SOLA SOAPS

As of 2005 Finland has no organic cosmetic rules, nor will she likely have them for at least ten years! The basic rules for organic cosmetics: 95% of ingredients are organic certified, no hydrogenated fats or oils, no petrochemicals, no SLS or other surfactants, only organically certified animal fats, no animal testing, no GM products/ingredients, no fragrance oils. Sola Organic Soaps satisfy these criteria which are found in French and English organic cosmetic directives.

SAUNA OF THE BACKWOODS: This is the North's version of the South's Castille Soap. Colour is a dark to deep yellow. Only organic cold-pressed Finnish rapeseed oil and a bit of organic coconut oil. Healthy bit of foam. Pleasant smell. A return to the roots of being a Finn. Vegan.

ORGANIC OAT: Just like Sauna of the Backwoods but with organic oats for a scrubby, creamy bar. Orange-yellow colour. No NO's, EO's. Vegan.

HONEYPAW'S ORGANIC DELIGHT: Full of organic berries for a scrubby bar that increases blood flow. Deep yellow with redpurple specks. No NO's, EO's

ORGANIC PLÖRÖ: This is yummy. Wonderful scent born from organic coffee and organic rapeseed oil. This is for removing smells from your hands (or feet!). Smells away!!! Feedback great, including some men who use it after working-out at the gym. No NO's, EO's. Vegan.

ORGANIC HONEYCAKE: Organic vegetable oils, organic honey and beeswax from the local beekeeper with no added scents. Rich lather. Nutty smell. Honey Soaps normally contain a fragrance perfume to give it that honey-scent. Our variety does not. No NOs, EOs.

ORGANIC SCENTED HONEY: Same as Organic Honeycake. Honey scent is enhanced naturally with organic marjoram, rosemary and peppermint essential oils. Fresh, sweet, sensual; not really forest-scented. No NO's.

FRAGRANCE FREE NATURAL SOAPS - no added essential oils

CALENDULA KID: Calendula oil (pot marigold) and flowers, and almond oil. Very mild and Very nice on the face and kids. Lots of creamy bubbles. No BPs or EOs. Vegan.

MY CORNER OF THE WOODS: Birches and Firs abound in Finnish forest. Picked in spring and frozen whole they are crushed at the last minute to add to soap. Light scent from the leaves and tips. No BP, EOs, NOs. Vegan.

BEER: Made from 100% finnish beer for hair and skin. Beer makes your hair soft. Mild and gentle for all skin types. Colour is light brown, slight hint of malted grain. No BPs, NOs, EOs. Vegan.

SCENTED NATURAL SOAPS

PINE TAR MAGIC: Pine tar from the stumps of the pine tree. Smells of wonderful pine tar. No bee products (BPs) nor EOs or nut oils (NOs). This is Finnish Pine Tar NOT Coal Tar. Vegan.

HONEY OATS AND HEATHER FLOWERS: Organic oats, heather flowers, lots of honey, bees wax, and apricot seed oil make this a softer bar. Lightly scented with Clary Sage and Organic Orange EOs. Folk say that it calms the skin and revives tired skin.

NETTLE WONDER: Stinging nettle is a miracle. This plant has a history of doing so many things and in so many forms - at least in Finland. Stinging nettle, almond, and apricot seed oils for a softer bar. EOs of rosemary acts as anti-septic and antioxidants naturally. Great for hair washing. Contains beeswax. Tea Tree under 1%. No NOs.

MENNINKÄINEN'S MINT: Organically certified mint oil from Karjalan Minttu make a highly scented bar. Please note that peppermint oil can irritate the skin if used continually for long periods. Please rotate this soap with others. Peppermint oil is also photosensitive and this is why it is often used on places which never see the sun (feet). Not recommended for face washing. No BPs, NOs. Vegan.

SWEET PEAT & ROSEMARY: Honey and cosmetic grade peat blended together to make a gentle and creamy soap for body and scalp. This lather great. Blue-grey-white marble colour. No NOs.

LEMPI 'S LOVE: Honey, hop flowers, organic oats, sea buckthorn and 100% carrot juice swirled soap. Essential oils of anis, clary sage, patchouli and organic orange. All ingredients chosen to relax and raise your lempi! No NOs.

MOTHER WONDER: Clary sage, pelargonium and palmarosa essential oils with rich oils. Made with 100% carrot juice. Great for dry/oily mixed skin and washing hair. No BPs, NOs. Vegan.

GRANDMA: Essential oils of anis, organic orange and clove and brown sugar! Contains carrot juice, crushed anis seeds, and brown sugar! Warm and delicious! Reminds one of old-fashioned anis candies. No BPs, NOs. Vegan.

TAPIO'S WINTER: Green and white soap made with nettles, birch leaves, spring fir tips and lots of essential oils: juniper, cypress, organic peppermint, palmarosa and patchouli, and lavender. Real green smell with a touch of mint. No BPs, NOs. Vegan.

GINGER JOY: Ginger and organic peppermint EOs, fresh ginger. Fresh, reviving and smells delicious. This bar gets more colour the longer it sits unused! Coloured with paprika. No NOs. Great for hair washing. Vegan.

WINTER SPICE: Just like Honeypaw's Delight, but with the EOs of cinnamon, clove, pomegranate and patchouli. Also a bit of cardamom powder. Very warm smelling. Not for sensitive skins. Available only in November - February or special order. Ask if you want it - I may have it in stock! Vegan.

FOREST MAGIC: Around the year soap. Essential oils which are earthy and forest fresh: Siberian fir, pine, patchouli and organic marjoram, fir tips and birch leaves. The colour is of old man's beard moss. For all skin types. No NOs, BPs. Vegan.

NORTHERN LIGHTS: White and fresh with a fresh scent of organic marjoram, rosemary and peppermint essential oils. Smells sweet like honey. Foams well. Good for all skin and hair types. Teenagers love the scent. No BPs, NOs. Vegan.

MIELIKKI'S SOAP: A wonderful scent from lavender and colors from nettle (green) and calendula (golden orange). No BPs, NOs. Vegan.

GO AWAY YOU BAD MOSQUITO: Mosquitoes are highly stubborn and run Finland as a dictatorship in the summer months! Citronella EO, Patchouli EO for deterring mosquitoes. The scent left behind on the body is present, but minimal. Excellent feedback from customers. Some even apply the soap on wet skin and don't rinse off. For washing hair also. No BPs, NOs. Vegan.
